

ikan V8000HD^e 8" HD LCD Monitor

Retail: \$795

iKan introduces the V8000HD^e. The new V8000HD^e has the same professional features you liked about the V8000HD, but MUCH MUCH more. You asked for more power options, and the V8000HD^e delivers! Now the V8000HD^e operates with Sony, Canon, Panasonic and JVC Li-Ion batteries alike, as well as professional battery adapters for V-Mount and Gold Mount battery systems.

The V8000HD^e provides true 16:9 and 4:3 switchable aspect ratios. Our new "image flip" feature allows you to invert the image at the press of a button. We've also improved with on screen safe area guides for more accurate framing. The V8000HD^e takes Component, Composite and S-Video I/O. With the V8000HD^e, iKan delivers another great monitor at an affordable price.
