

Designed primarily for non-linear editing, the "M3" combines a tight wrap around edit position with angled rack storage at countertop level. The M3 works best with the *optional* Monitor Beam System for LCD's. Standard features include the following:

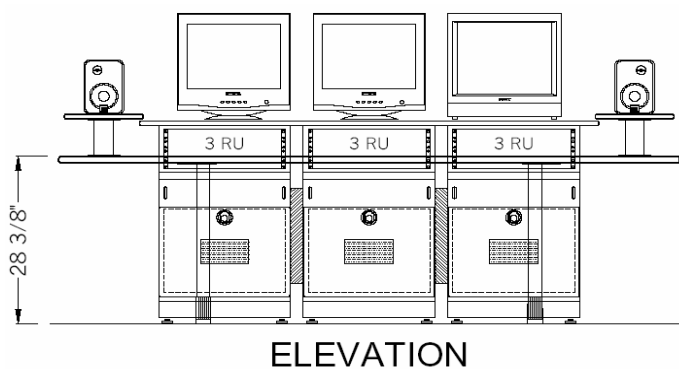

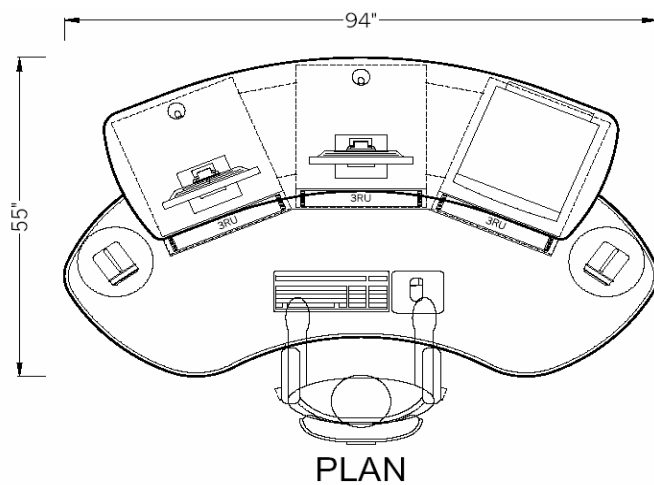

- 3 bay angled-surround turret@ 3 ru per bay;
- 3 bay base cabinet with 9 ru per bay
- removable front vented panels; open back
- 2 X metal height-adjustable post legs
- laminate or linoleum desktop finish with black bumper edge.

(shown with *optional* speaker modules)

base model: **\$3,925**

(shipping + handling additional)
